Bus:

not inspected, will have to happen in late June, due to finances. Then can be stored at field.
Seats not in, will be put in at some point with a table. Why not roller chairs? May as well use
the stuff we have. Need decals for the bus.

RallyX:

Field at Bill's has been graded. Needs more harrowing and dragging. If anyone would like to
volunteer to do so, please let us know. Approx a 1" bump from the edge of the grader

TSD:

Mudlark happened. It was fun. Changed Loon to Saturday (July 9). Will start in Edmonton/
south east and end in Rocky. Roads are laid out, but not final mapped. Approx 600.
Spreadsheet & book to be produced. Need volunteers for check pointers. Will need
sponsorship: breakfast, dinner(?), awards/funding, volunteer thank you packages/door prizes.
We will need a 0 car and a sweep truck (preferably someone with experience). 0 car runs
ahead, then sweep makes sure everyone's off the course. 0 car has been offered out.
Desperately need check pointers. 9 cars have said they will be there, 5 would like to be there.
Serious championship so people will show up. Curt will check with business partners, might be
able to sponsor \$500. Route 7 Inc. route-7.com.

Performance Rally:

Rocky Mountain is coming up. John was down for Oregon Trail. Mike and Brandon will be
running the Idaho rally side by side on June 11th, possibly racing in India next April, 2500 km in
tuktuks.

Round Table:

Fundraising - SIM racing night - looking at seeing if it will be feasible. Talk about t-shirts

Motorsportreg - needs to be updated.

Mike Elhard and Brandon might not be here for next rally cross.

Decals - if sponsor wanted to pay they can, but we also could have them printed.

Kait moves to end meeting
Lorne seconded.
