## Meeting Minutes - 2017-12-13

Attendees: Bob Robinson, Sam Whitney, Clem Salcedo, Callen Schmidt, Will Mo, Tyler Coffin, Mike Thorn

### 1. November Minutes

1. Bob moves to accept, seconded by Callen. No opposition

### 2. Maintenance

1. Tractor - would be nice to get it done before the weekend. Will still needs to know tire size and model number of tractor (so he can get a filter). It will be easier to service in the shop due to temperature, etc. Will can pay \$200 to have it picked up and delivered. Kait moves to spend up to \$200 to have the tractor moved to and from Will's shop. Bob seconds, no opposition.
2. Chains will not arrive before the event, but Will will still look into them so we can get some in the future if we want to.
3. Pylons! Will will move pylons out to the field when the tractor goes back out. Thanks to Will for picking those up for us.

### 3. Rallycross

1. Event on December 16 & 17
2. November event - was not super busy, but was still a good time
3. Track looks good for the weekend.
4. Standings: Logan has been working pretty hard at work, so we'll see if we can get Will to do a work around
5. Callen would like further information about 2wd vs. 4wd. We will need to review the January meeting minutes and get back to Callen by the event this weekend.
6. Callen will be running a small canteen at the event. Please bring small bills, toonies, etc.
7. Callen will be bringing MADD stuff to the event and would like to see competitors put them on their vehicles to bring awareness to the event.

### 1. Performance Rally

1. Big White - 31 competitors, only 4 didn't finish. Lots of excursions. Managed to get the volunteers necessary, as it's only the 2nd time it was a national event. A fair amount of travelling competitors.
2. John Hall took 2nd at Tall Pines
3. CSCC did some rock planting to help mediate the issue with for the Kananaskis Rally. This has helped the relationship to prevent losing access to the roads
4. Rallie Défi will be running in February, then Cochrane in March

### 5. TSD

1. Frozen Loon did not run on Dec 2nd due to lack of registrations.
2. Clem recommends that we start in Drayton and then transit to the Dam instead of starting there. Skid plates and studded tires might have been a deterrent. Route was great.
3. Do a "budget" event - use recycled trophies, etc.
4. Perhaps recommend a skid plate instead of requiring one, due to new road conditions.
5. Frozen Loon to now run on Jan 27th.

### 6. Financial Update

1. \$7614.02 in account
2. \$1498 Cheques outstanding, and approx \$600 in cash

#### 7. Round Table

1. Mike: It's really important that the Dec Rallycrosses are successful. Do we want to put out a promotion for this weekend, combined with the membership? Mike moves to offer the weekend plus 2018 membership for \$150, seconded by Bob, no opposition.
2. Will can pick up the timing equipment after the event on Sunday.
3. Clem knows someone at Rayacom if we need decals.

Mike moves to end the meeting, Kait seconds.
